

Credit River Township

Residential (165th, 167th, 180th St., Jennifer Lane, Cleary Lake Court) Road Overlay Assessment Hearing

June 17, 2013, 6 PM

Board Members Present: Chairman Brent Lawrence, Vice Chair Tom Kraft, Supervisor Leroy Schommer, Supervisor Al Novak, and Supervisor Chris Kostik.

Others Present: Township Engineer Shane Nelson, Township Attorney Bob Ruppe, Township Treasurer Sarah LeVoir, Township Clerk Lisa Quinn.

Chairman Lawrence opened the Residential Road Assessment Meeting at 6 PM.

Engineer Shane Nelson offered an overview of the process thus far, including the bid opening which was held this morning at 11 AM.

Attorney Bob Ruppe offered an overview of the reason for this legally required meeting.

Resident Greg Kozulla, 165th Street, asked about the bids received and the bidding process in general. Attorney Ruppe explained that because the job was over \$100,000 in value and also a "429" process, the Township is required to select the lowest responsible bidder.

Resident Kozulla then asked about the apron between a stamped driveway and the road. He wondered if the snowplows would damage it. Chairman Lawrence said that in general, the apron between a concrete driveway and the blacktop would not be damaged by the snowplow. Supervisor Schommer stated that if it does get damaged, the Township would not be responsible for it because it is in the Township right of way.

Resident Vern Platt, 165th Street, asked about the recent patching and why was it done in two stages, and why it wasn't scheduled to be done at the same time as the Overlay. Engineer Nelson answered that because it was done in conjunction with other patching in the Township, the pricing was more favorable to the Township to do it this way.

There were no other residents present to speak about the Residential Overlay. That being the case, Chairman Lawrence asked again if there were any persons present that were ready to object in writing to the 2013 Residential Road Overlay project, before the close of the meeting. Hearing none, the Chairman asked for a motion to adjourn.

Supervisor Schommer made a motion to adjourn the 2013 Residential Road Overlay Assessment Meeting. Supervisor Kostik seconded the motion. Motion passed 5-0.

Meeting adjourned at 6:37.
