

Credit River Township Policy Statement

**Policy : Policy on Development Review Team Meetings (DRT)
(When to Charge Developer)**

Policy No : 2007-006

Dated : 03/05/07

Purpose of Policy: Best management practice

Policy

Credit River Township will attend the first DRT meeting on a particular project proposal for one Developer at no charge. Future DRT meetings on the same parcel by the same Developer will be subject to a meeting charge.

This policy will include all Township personnel and it will be the responsibility of the township official to submit the charge.

At the first DRT meeting, the Township Clerk will request the Developer to forward and escrow amount if the project is planned to go forward. This money will need to be deposited prior to any work being performed on the project by Township staff.
