Escrows

Posted escrows shall be used as financial security to cover City expenses associated with the review of applications, including direct costs such as recording fees and third party consultants (Attorney, Engineer, Planner, or others). The escrow shall be replenished within 30 days of the date the City requests escrow replenishment for actual costs expended to date of request. The escrow amount shall be set by City Staff commensurate with their determination of the amount necessary given the type and number of applications to be submitted and complexities associated with the proposed development project. Failure to replenish an escrow may result in the City certifying the outstanding funds owed to the County Auditor for collection through the property tax or the City placing a lien in the amount of the outstanding escrow on the property. It shall be the responsibility of the applicant to contact the City, in writing, to request the return of any unused portion of the escrow deposit.

All applications shall be signed by the applicant(s) and all owners of the property to which the request applies. The applicant(s) and owner(s) shall be deemed jointly and severally liable for the payment of all fees and escrows required by this Ordinance. In the event that City's administrative expenses, operating expense, and out of pocket expenses incurred in processing the applicants' and owners' request exceed the escrow amount, the applicant(s) and property owner(s) shall remain liable for the amount of such costs incurred by the City regardless of whether the applicant's and/or property owner's' request is granted or denied,

In the event the applicant or property owner does not reimburse the City within 30 days of billing for additional costs incurred in processing the applicant(s)/owner(s) request, the City shall be authorized to certify said unreimbursed costs to the County Auditor for payment with the owners' property taxes pursuant to Minn. Stat. Statute 366,012,
